McKinley School, also known as the McKinley Institute of Technology, shares its campus with North Star Academy. If you google 400 Duane Street, you may see any one of these schools listed, but the address is 400 Duane Street.

Finding the Music Room on the second Floor. If you use the side street (James), there is an outside stairway leading directly up to the music room. I will arrange to have the gate open during the Tuesday rehearsals so you can come and go this way. There is diagonal parking on James and a lot of street parking in the front of the school on Duane.

Historically, this room has special meaning, as this was the room where the very first PYO rehearsal was conducted in September 1997! We soon outgrew this wonderful room!
