

Festival Orchestra Rehearsal in Zellerbach C
Saturday, January 15, 2011

- 1) The rehearsal is from 9:30 am to 12:30 pm in Zellerbach C. SFSYO will provide percussion instruments for this rehearsal.
- 2) Festival Orchestra Members must enter through the Zellerbach Entrance at the corner of Franklin and Hayes Street. There will be a roster of personnel with the guard, and musicians must sign in if asked to. There will be ample signage directing them downstairs and into ZC. No one is allowed to enter the Musicians' Entrance on Hayes Street for this rehearsal.
- 3) There is no parking available anywhere on Symphony grounds on Saturday, for anyone – there's Symphony rehearsal that morning.
- 4) I would suggest making the call for the rehearsal 9:15AM, to ensure the rehearsal gets to start right at 9:30.
- 5) At the end of the rehearsal, Festival Orchestra Members must leave by same entrance, and the best place to arrange pick-ups is in front of the Box Office on Grove Street (musicians can walk north on Franklin).
