Introducing PYO

Welcome to the Peninsula Youth Orchestra (PYO)! We are looking forward to a creative and musically rewarding fifteenth season for every PYO musician, their families, and the communities which we serve!

This handbook has been prepared as a guide for all PYO musicians and parents. Our goal is to provide a positive atmosphere in which our musicians, at all stages of musical development, can learn the joys of the orchestral experience. If you have any questions about what is printed in this book, please do not hesitate to call the PYO Business Office.

We ask that both musicians and parents take the time to look over this information, which describes many of the orchestra's policies and procedures. **Please review carefully our rehearsal schedule and concert dates for 2011-12 to assure that your musicians can fulfill their commitments to PYO!**

Mission Statement

The Peninsula Youth Orchestra enhances the cultural depth and diversity of its community by bringing together student musicians to rehearse and perform symphonic music in an educational setting. PYO strives for high musical standards within a supportive environment that encourages teamwork and learning, and instills a love of music. PYO works to enrich the lives of its musicians as they progress through a challenging course of repertoire, preparing them with the knowledge and skills needed to pursue and enjoy music the rest of their lives, either as professional or amateur players.

Non-Profit Status

The Peninsula Youth Orchestra is an independent nonprofit, public benefit corporation, organized under section 501(c)(3) of the IRS code. Our tax ID number is 94-3372998.

About PYO

Brief History

The Peninsula Youth Orchestra was founded in 1997 by Mitchell Sardou Klein and Sara Salisbury, and is the only youth orchestra program serving San Mateo County. Over the years our membership has grown to about 450 musicians. We owe our success to strong support from families and local music teachers, the breadth and diversity of our artistic program, and the expertise of our dedicated staff.

The name “PYO” actually has two meanings, depending on the context. We often refer to our entire organization simply as PYO. We also call our top-level senior-high orchestra “PYO,” as distinguished from our other groups (the three preparatory full orchestras, two string orchestras, and two flute ensembles). Regardless of your specific group, all are members of the PYO organization.

Programming

PYO musicians study and perform traditional repertoire with an emphasis on contemporary literature and American composers. Each of our ensembles present two or three formal concerts each season. Commissioned works by local composers are proudly featured on these concerts. PYO received the prestigious ASCAP Award for “Adventurous Programming of American Music on a Foreign Tour” for our first international tour in Japan in 1999.

PYO has received recognition for its sequential music education program through grants from several prominent foundations, including the David and Lucile Packard Foundation, the Joseph McMiking Foundation, the Bernard Osher Foundation, and Silicon Valley Community Foundation.

Tours

International and domestic tours are an important part of our program. Our musicians have performed in the Sydney Opera House, Carnegie Hall, Liszt Academy, Dvorak Hall, and in venues across Italy, France, Spain, and Austria. In 2008, the Young Artists (PYA) participated in pre-Olympic music festivals in China, and in 2010 performed in the Disney Concert Hall in L.A. PYA is planning to tour Ireland in June 2012. In 2009, the top-level PYO performed in Paris, Brugges, and Amsterdam, and in June 2011 traveled to England, giving concerts in Bristol, Oxford, and London.

Chamber Music

PYO also offers a chamber music program in which small ensembles rehearse and perform music from the standard chamber music repertoire. Two formal recitals are given annually. Many of these ensembles perform for community events throughout the year. *Interested students may enroll in chamber music during September. Rehearsals run from October through early May.*

Rehearsal Location and Schedule

PYO sponsors four full orchestras, two string orchestras, and a chamber music program for a variety of small string, woodwind, and brass ensembles. **All ensembles rehearse weekly.**

Financial Matters

Annual Fees for 2011-12

Peninsula Youth Orchestra	\$720	Debut Strings	\$560
Young Artists	\$600	Chamber Strings	\$560
Orchestra Nova	\$560	Chamber Flutes	\$500
Sinfonia Musica	\$560	Con Brio Flutes	\$500

Chamber Music: \$250

By enrolling in PYO, you agree to pay the full membership fees associated with the specific groups you join. We require a non-refundable deposit of \$150 at the time you return your enrollment form. Throughout the season we will periodically mail you statements showing the status of your account. Your account should be paid in full by the date rehearsals begin in September. Students enrolling during fall auditions should pay the \$150 deposit by September 30 and the balance by October 31. Other payment plans can be arranged by special request. Contact Sara Salsbury for details.

Refund Policy

Students who find it necessary to withdraw from PYO during the season for reasons beyond their control can request a refund of their unused balance (in excess of the \$150 non-refundable deposit). The unused balance may be prorated over the course of the season, based on the concert calendar. No refunds will be granted in any cases of dismissal from PYO for disciplinary reasons, or for member's dropping without cause.

Financial Aid

Financial aid is available, based on demonstrated financial need. Applications for financial aid may be requested by calling or emailing the PYO office.

Work Scholarships

A limited number of work scholarships are available each season. Through this program, your annual fee can be reduced by your family's helping on a regular basis with various tasks such as mailings, rehearsal monitoring, rehearsal setups, telephoning, sorting music, etc. Student musicians may also volunteer to mentor younger players at the Prep Orchestra rehearsals, and receive community service credit. Please call or email the PYO office for information regarding these opportunities.

Please return applications for financial aid and/or work scholarship to:
Peninsula Youth Orchestra, 1091 Industrial Road, #208 San Carlos 94070.

Policies and Procedures

The policies and procedures outlined in this handbook have been established as a necessary part of our program in order to maintain the highest standard of musical training. Failure to comply with the following rules may result in immediate dismissal from any PYO program, at the discretion of the director.

Membership

PYO membership is by invitation, following competitive entrance auditions. Musicians are placed in one of the PYO ensembles in accordance with our goal that students flourish and grow musically, while contributing to the overall success of the ensemble itself. **Placement may also depend on the available positions for a particular instrument.** Waiting lists are common. Each spring, current members may take optional promotion auditions to advance to another ensemble or move to a higher ranking within their present ensemble. **For returning members - your membership for each new season is not guaranteed until you have returned your re-enrollment form by the spring deadline, as will be indicated on the enrollment form (usually May 31).**

Artistic Standards

Each member is expected to practice at home in preparation for efficient weekly group rehearsals. The director and/or members of the coaching staff may notify members of ongoing musical deficiencies, including excessive absences or tardiness, that require improvement. Members so notified must show improvement in a reasonable amount of time as determined by the director. Failure to demonstrate improvement may result in a re-assignment to a different ensemble, or a dismissal from PYO, at the discretion of the director.

Rehearsal Conduct and Care of Facilities

PYO ensembles rehearse at one of three sites - Carlmont H.S., Redwood Shores E.S., and McKinley School. At each site, food is allowed only in designated areas. Food is specifically not allowed in the Carlmont Band Room. Students must remain in the rehearsal areas at each site - our rental contracts do not give us campus-wide access. Playground equipment at Redwood Shores or McKinley can be used during rehearsal breaks only by permission of your conductor. Playground at Redwood Shores is off-limits when in use by their after-school program. Musicians are not allowed to use any school computers or other classroom equipment. We are very privileged to have access to these sites, two of which are brand new! Please help us preserve them, and our reputation within the community, by following high standards of behavior. *Disrespectful behavior can void our site useage, and result in your dismissal.*

PYO runs closed campuses. Students must remain on the rehearsal premises from the time they arrive until they are picked up by their parents. Students who drive themselves must remain on the premises during the entire rehearsal.

Behavior Code

PYO members are expected to conduct themselves in a professional manner at all times during rehearsals, sectionals, concerts, tours, or any other events sponsored by PYO. Members are expected to treat their conductors, fellow musicians, and volunteers with respect and courtesy at all times. PYO is considered a “family organization”. Please be thoughtful and considerate of each other. *Disruptive behavior will not be tolerated and is cause for immediate dismissal, at the discretion of the director.*

School Music Programs & Private Lessons

All members should be familiar with the PYO school music and private lesson policies. An important aspect of membership in PYO is simultaneous participation by student musicians in their school’s music program. PYO strongly supports music education in the schools. The school music programs offer students opportunities for daily ensemble participation, which is then complemented by their involvement in PYO. Participation in PYO, school music, and private lessons form three elements of a well-rounded music education. We encourage and expect all musicians to be part of this important triangle!

Attendance Policy

oo

All musicians are expected to attend all rehearsals and concerts. Absences from rehearsals or sectionals are detrimental to the ensemble’s progress and counterproductive to your personal development, regardless of how accomplished a musician you may be. The music director and the coaches prepare their rehearsal schedules based on full attendance from every section.

We realize, however, that a rehearsal absence may be unavoidable due to special circumstances. For this reason we allow a limited number of excused absences. **A maximum of 2 absences is allowed per concert set.** Accumulating more than 2 absences per concert set is unacceptable and will require a special conference with the director to determine if you will be allowed to play that particular concert.

Examples of Acceptable Absence Excuses:

- Illness: (However, you must notify by phone or email before rehearsal).
- School music events & religious holidays. (A written request must be submitted three or more weeks in advance.)
- College visits that cannot be scheduled during vacation time.

Important family events, such as weddings, reunions, or vacations are excused only if we are notified no less than two months in advance of the event.

Attendance (continued) - Please Note!

The earlier we are notified of scheduling conflicts the better; therefore, we urge you to go through your calendars, and ask your parents and teachers NOW about possible conflicts.

Yellow anticipated absence cards are available at all rehearsals. For your convenience, two are included in your music folder.

Unacceptable Excuses (examples) - Read & Heed!:

- A test or project deadline for which you want to skip PYO rehearsal to study or catch up. (Plan Ahead!!!)
- A non-school music performance (includes gigs and performances with other orchestras).
- **The prom or other social engagements.**
- Routine doctor or dental appointments

Consequences of Unexcused Absences:

- Possible reassignment of parts, re-seating in the section, loss of principal status, or dismissal from PYO, at the discretion of the Director.
- Miss a dress rehearsal, and you may not be allowed to play the concert!
- Unexcused absence from a concert may result in dismissal from PYO, at the discretion of the Director.

Tardiness

In keeping with our emphasis on personal responsibility, tardiness at rehearsals cannot be tolerated. Arriving late at a rehearsal wastes valuable rehearsal time for everyone, and is highly inconsiderate to your director and fellow musicians. Keep that carpool on schedule! Plan ahead - do not be late! You may submit an anticipated absence card in advance if you know you will be late - due, for example, to conflicts created by school events or SAT tests.

Rehearsal Preparation

Each musician will be given a folder of music to practice. This music requires home practice to ensure productive group rehearsals. No extra rehearsals will be scheduled as long as each musician practices at home and comes to rehearsals well prepared. A detailed rehearsal schedule will be distributed to the senior PYO musicians and will include a listing of sectional dates (not to be missed!) with professional coaches. Preparatory Orchestras generally receive weekly sectionals.

Items needed for rehearsals

- Your instrument
- Music Folder with assigned music
- Pencils
- Folding Music Stand (labeled with your name)
- Optional snack for the break (or \$1 to buy snacks offered as fund raiser)

Use Of PYO Instruments

PYO owns several violins, violas, string basses, a bass clarinet, an English horn, French horn, a bass trombone, and many percussion instruments, including a set of timpani, xylophone, and a drum set. These instruments are made available to PYO musicians at no charge for use in PYO activities. Here are the guidelines for the use of these instruments.

- Assignment of the instruments will be made by the PYO staff.
- PYO musicians may request to use one of the instruments.
- PYO instruments may be used during rehearsals and concerts.
- PYO instruments, except percussion, may be taken home for practice purposes.
- The musician using the instrument is responsible for purchasing his/her own accessories such as reeds, strings, rosin, etc., at no cost to PYO.
- No instrument maintenance work, cleaning, or rehairing of bows is to be done without prior approval of the PYO General Manager, who must approve both the amount of expense and the choice of repair shop.
- Depending on the specific circumstances, members may be held accountable for damage to, or loss of, an instrument. In cases of instrument damage or loss due to negligence, PYO's insurer has the right to recover costs from the negligent party.

PYO Concerto Competition

An annual concerto competition is held exclusively for members of the senior PYO. This professionally adjudicated experience allows members to compete for the opportunity to perform their concerto with PYO during the course of the season. Applications will be distributed in October, and the competition will take place in early December.

Parent Participation at Rehearsals and Concerts

Parent volunteering is an important obligation of all our member families, and a key ingredient of PYO's success. PYO relies heavily on this parent support, essential to our providing a first-rate musical experience for all our students.

We ask that a parent/guardian from each family assist with certain duties, such as ticket sales, ushering, concession sales, rehearsal supervision, stage set-up, post-concert clean-up, etc. The duties typically involve only one or two dates during the season. Parent volunteers from PYO, PYA, Nova, and Sinfonia need to sign up online through web pages specific to your group, each powered by "Jooners."

New Jooners pages are posted three times during the season, corresponding to our three concert sets. We ask each family to go to your designated Jooners web page, select the dates and duties that work best for your schedule, and sign up. We provide detailed instructions in weekly editions of eNews. (We automatically sign you up to receive eNews, using the primary parent's email address you list on your enrollment form. If you have problems receiving the eNews, please contact the PYO office!) If conflicts develop, you may exchange assignments with another parent (in which case, please contact Cindy Galisatus <cgalisatus@comcast.net> well in advance so we know "who's coming!")

We greatly appreciate our parent volunteers. Thank you for your help!

Peninsula Symphony Concerts

All *students* enrolled in the PYO program are eligible to receive complimentary tickets to the Peninsula Symphony Concerts at the San Mateo Performing Arts Center and Flint Center in Cupertino. (This offer does not extend to parents and other family members, who would need to purchase tickets.) Concerts are generally Friday and Saturday evenings at 8:00 PM. Our music director, Maestro Klein, also conducts this superb adult community orchestra. More details are provided in your fall orientation packet.

Donate to PYO!

PYO strives to keep membership fees low, to enable every qualified student to join. As a result, membership fees cover only about 60% of our costs. Therefore, we depend on individual donations, foundation grants, and concert ticket sales to balance our budget each season. We sincerely hope all members will make a tax-deductible donation to PYO during our annual Fund Drive campaign (or at *any* time the urge strikes you)!

There are other ways to support PYO, like sponsoring your student's participation in the fall "Scale-a-thon" fund-raiser, and bringing your family and friends to our outstanding concerts. Many employers provide matching donations, which is a great way to leverage your own donation. Please check with the HR department at your place of work to see if your employer will match your donation. Also, donations of stock can be easily arranged and gratefully accepted. Please contact our treasurer, Phil Salsbury, for additional details!

PYO Concert Ticket Policy

As a matter of policy, we do not issue complimentary tickets to our members. Revenue from ticket sales is an important source of funds, helping us offset theatre rental costs. Accordingly, all attendees at our concerts will need to purchase tickets*. (Except children age 5 and under, who are admitted free.)

Individual concert tickets (priced \$10/5) will be available at rehearsals prior to each concert, and at the box office the day of each concert. Buy your tickets in advance, and avoid the box office rush at concert time. Even better, for a real deal, buy the PYO CLUB CARD. Priced at \$30 for adults and \$15 for students/seniors, these cards will admit you to ALL concerts and recitals for the entire season (and give you discounts at the PYO Concert Store). Save time and money - buy your CLUB CARD at the start of the season!

Help Support the PYO and our outstanding musicians! Come to all concerts and bring a friend, neighbor, or relative!

*Exception: The Holiday Concert presented by PYO and PYO Alumni, to be presented on December 18, 2011, will be a free event for the community. Bring the family and enjoy!

Fall Start-up: Forms we need from YOU

At the start of the season, every member receives several important documents, some of which we need you to review, sign, and return at your first rehearsal. We need these three forms back from you: (1) Verification of your Roster Info (one sheet); (2) Parental Agreement, Medical Information, and Agreement by Musicians (all on one sheet); (3) Parent Volunteer Form. (Please note: the Parent Volunteer Form is needed *in addition* to your "Jooners" sign-up for rehearsal/concert duties.) You'll also find several other important documents in your musician's folder: Rehearsal and Concert Schedule, information about our "Scale-a-thon" fall fund-raiser, anticipated absence cards, and Peninsula Symphony ticket vouchers.
