Musician's Signature

Membership is open to all students, ages 6-18, who wish to study orchestral repertoire in an educational setting. PYO highly recommends members participate in their school's instrumental music program if it is offered. These school programs offer opportunities for daily ensemble participation, which is then complemented by involvement in PYO. We want to support school music programs, so please speak with your school music teacher for approval to enroll in PYO.

Are you a member of your school's music program?
